■ **With the practical GT40 / GT40 eco roller baskets,** shopping is truly fun. The sturdy construction of the pull-out handle and the robust basket are designed for daily use. Ergonomic recessed handles enable easy lifting. The high degree of transparency in the basket structure reduces stock losses through theft.

**100% eco**  
The attractive GT40 eco basket is made out of 100% environmentally friendly, recycled material.

## Storage

Thanks to the **side retractable handles** the roller basket is easy to stack.

## Quiet running

The **robust castors** with TPE tread keep noise levels low throughout the store.

## Anti-theft protection

To **protect against theft**, the roller baskets can be fitted with AM / RF security tags.
