Glass	Acrylic glass
Sides	One-sided
Glasstärke	4 mm
Opening angle	approx. 90° sideways
Number locks	1
Number of DIN-A4-Sheets	2
Weight	2 kg

From the printer to the notice board: The MSK display cases are the ideal solution for anyone who wants to quickly and easily display important information. The particularly inexpensive showcases of torsion-resistant aluminium profile are 22 mm deep and have a modern Softline profile which simultaneously reduces the risk of injury. The swinging door panes are equipped with security locks, easy for anyone to use and secure from unauthorised access. It doesn't get more economical and faster than this.
