

YOURTABLE®

Effective buying impulses for product displays

IYOURTABLE®

Make the most of your POS

■ **YourTable – the multifunctional presentation system** that makes it possible to present products professionally in a simple way. The accompanying components and accessories are designed to be versatile and can be combined as required. For your purposes and with your product range expertise, this means: more design freedom and more focus on the goal in product displays.

Choose your options from our range of expressive colours and finishes and build the perfect stage for your products with YourTable: your customers will thank you!

Different combinations of system models **T.01, T.02, T.03 and T.04** offer every opportunity to conjure up the right mood on the sales floor.

// Your benefits – at a glance //

- Create targeted buying impulses through product staging
- Use multifunctional presentation areas
- Choose individually matched colours and finishes
- Proven quality MADE BY WANZL

YOURTABLE®

Create space for the right mood

■ **You want to draw your customers' attention to particular products?** – Then put them in the right mood! YourTable makes your product ranges – like the bread and baked goods specialities in this case – come brilliantly to the fore. This way, your merchandise can find its way safely to your favourite place: your customers' shopping trolley.

YourTable offers a wide range of possibilities for this. You can resize your settings at any time, add accessories or rearrange the design in detail. Whether it's an emotionally charged presentation of specialities or an attention-grabbing promotional offer: surprise your customers again and again with your creative designs!

→ **YourTable T.01**
A feast for the senses for customers:
baked goods irresistibly presented!

← **YourTable T.01**
Draw attention to your merchandise
and make it a joy to shop.

// *Appetising presentation of baked goods: YourTable sets standards //*

↑ **YourTable T.03**
Expanded modularity – meaningfully arranged:
YourTable as an eye-catcher from any angle

YOURTABLE®

Shopping pleasure par excellence

■ **Wine section – arranged by Wanzl!**

Angled or upright, in boxes or free-standing: despite the wide range of products on offer, the integration of the sales areas remains clearly structured for the customer. Poster frames and suspended advertising boards provide key product information.

Add-ons such as the wire tech 100 wire shelving enrich the staging with striking accents.

YourTable T.01 → ↑

Interior design of a wine section by Wanzl: addressing the buyer's inner connoisseur.

YourTable T.01 ↑

Motivation through presentation:
tempt your customers' inner wine connoisseur

→ **YourTable T.02 and T.03**

Motivation through organisation:
enjoy delving into the world of wines and spirits

*// Wine presentation for wine lovers!
From individual spirits to an entire vineyard //*

YOURTABLE®

The full spectrum of freshness!

■ **Be it fruit and vegetables or herbs and flowers:** present your fresh products as fresh, as delicious and as conspicuous as possible! Place your fruit crates so that the fruit catches the eye immediately. Create additional sales space by adding more shelves as table top attachments or by hanging them on the side. Use the poster frames and advertising boards to inform customers in the most visible way.

↓ **YourTable T.03**

Transform your fresh food section into a feast for the senses with YourTable!

// Professional presentation means practically sold //

← ↓ YourTable T.01

The goal of every fruit and vegetable section:
quick sale of produce.
